Employee Spotlight

Scott Mills joined the Burr Truck Service Team 5½ years ago as an alignment technician, and before that he spent 33 years servicing light-duty, medium-duty, and heavy-duty vehicles—aligning well over 40,000 vehicles!

We had recently purchased a Hunter WinAlign HD when he was hired and he's been running it even since—using Hunter alignment equipment for his entire career that is approaching 40 years! Scott is a huge part of Burr Truck's mission to offer our customers the balance of trust, value, and confidence in knowing our services are *Second to None!*
